

Workshop One: Cloud-based CAD packages in the Junior Cycle Graphics classroom.

The JcT4 team are delighted to announce a series of workshops exploring the use of CAD packages in Junior Cycle Graphics.

Workshop One in Spring 2020 will focus on exploring cloud-based CAD packages as a teaching and learning tool. Software packages that will be explored in this workshop will include **Tinkercad** and **SketchUp** amongst others.

| Date | Location (Click or tap venue to register) | |
|-----------|--|--|
| 19/3/2020 | Blackrock Education Centre | Galway Education Centre |
| 23/3/2020 | Drumcondra Education Centre | Athlone Education Centre |
| 24/3/2020 | Donegal Education Centre | The Education Centre Tralee |
| 25/3/2020 | Navan Education Centre | Limerick Education Centre |
| 26/3/2020 | Monaghan Education Centre 5pm – 7pm | Kilkenny Education Centre 5pm – 7pm |
| 31/3/2020 | Cork Education Support Centre | Wexford Education Centre |
| 2/4/2020 | Kildare Education Centre | Mayo Education Centre |

Workshops will run from **7pm—9pm** each evening unless stated otherwise. Attendees are asked to bring a **Wi-Fi enabled laptop**, ideally with an external mouse for CAD use.
