

Supporting Research - Student Self Questioning Sheet

When reading sources as part of your research, it is important that you consider the questions asked in the boxes below. These questions will help you to focus your reading and ensure that you are always asking questions about you read.

<p>1. Does it make sense to me? (<i>Make a note of words or phrases that are new to you or that you find difficult</i>)</p>	<p>2. Does it meet my needs? (<i>Relevance- what new information is it telling me?</i>)</p>
<p>3. Can I verify it with another reliable source? (<i>Accuracy- Keep a record of your sources</i>)</p>	<p>4. Can I trust it? (<i>Reliability- how do I know?</i>)</p>
<p>5. How does the author shape it? (<i>Bias</i>)</p>
