

## Sharing Samples of Student Work for the Collection of the Student's Texts SLAR Meeting

Each teacher of 3<sup>rd</sup> year students should submit four sample collections for the Subject Learning and Assessment Review Meeting. Where feasible, these samples should **contain an example at each of the four descriptor levels**. From each collection, please identify the piece that you would like to discuss. The information will be used to create a running order for our upcoming Subject Learning and Assessment Review (SLAR) meeting. As we may not have time to discuss all 4 samples, please number the pieces 1 to 4. 1 should indicate the sample that you would most like to discuss at the SLAR meeting.
