

## Sharing Samples of Work for the Subject Learning and Assessment Review Meeting (SLAR)

Each teacher should submit four samples of student work for the Subject Learning and Assessment Review (SLAR) Meeting and there should be a sample of each of the four descriptor levels, where feasible.

The information will be used to create a running order for the upcoming SLAR meeting. Please number the pieces 1 to 4, with 1 indicating the sample that you would most like to discuss.

This information will be used to create a running order for the SLAR meeting. It may not be possible to discuss all submitted samples.
