Digital Technology in our School

Activity 1

What is your experience using digital technologies up to now?

Activity 2

Platforms to Support Distance Learning

Name of the Platform

Features of the Platform

How could you as a teacher use it?

How could your student use it?

What I like about the Platform

Barrier/Difficulties using the Platform

Rating Scale:

Very Useful

Useful

Not Useful

3

Activity

Portfolios in Our School

How are your students' current portfolios currently organised?

What type of evidence is in your students' portfolios?

What works well?

What are the challenges?

3

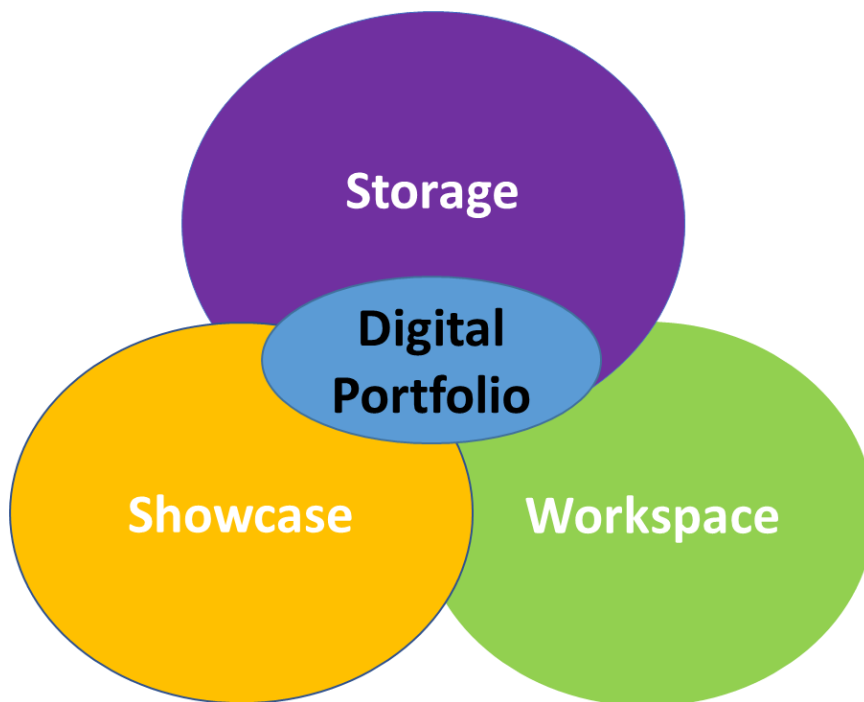

What improvements could be made regarding portfolio assessment?

Empty rounded rectangular box for writing answers to the question above.

Reflections

Empty rounded rectangular box for writing reflections.

Levels of a Digital Portfolio

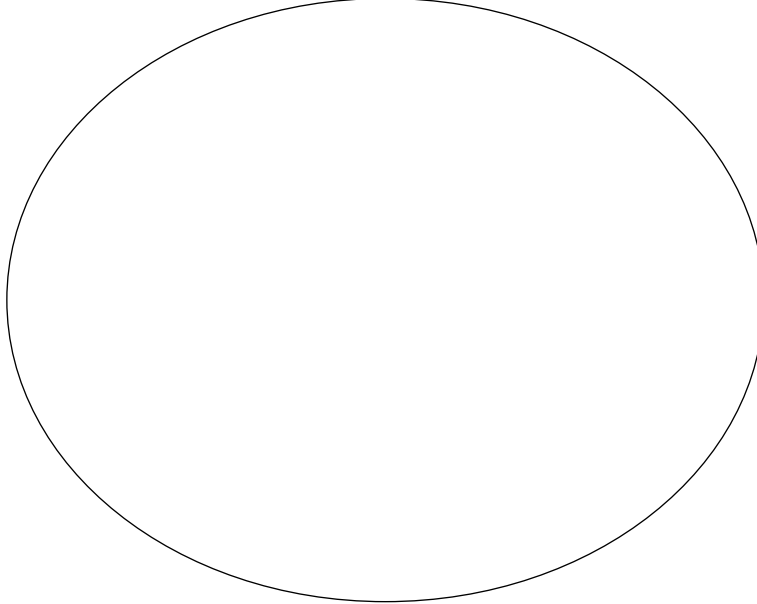

4

Activity

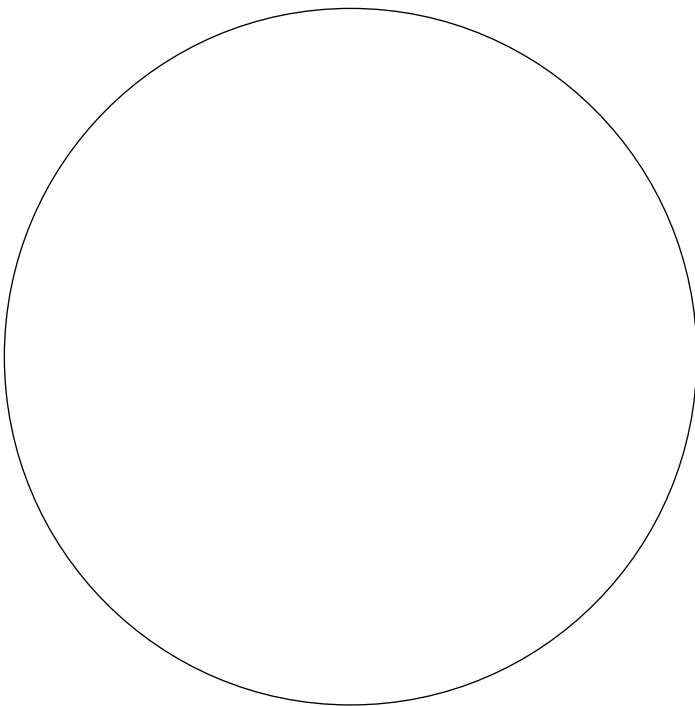

Digital Portfolios in our School

- ✓ What would each level look like in your students' portfolios?
- ✓ How could you bring the 3 Levels to life in your students' digital portfolios?
- ✓ Why is each important?

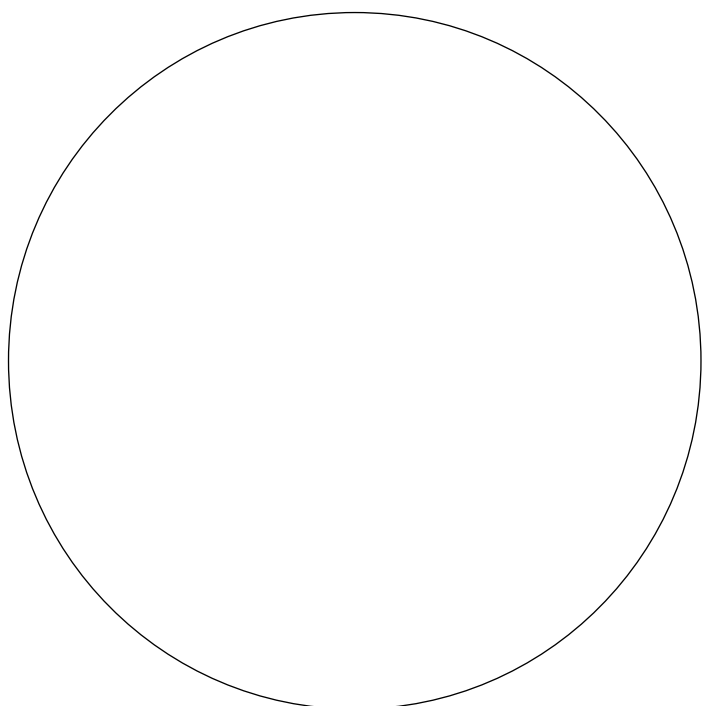

Storage

Showcase

Workspace

Activity 5

Collaborative Assessment

How do you judge Evidence of Learning?

What changes could you make?

Are there opportunities for collaborative Learning Assessment Reviews?

What are the advantages of collaborative assessment?

6

Activity

Planning Getting Ready

Are you ready? Do you have the essential technology resources and skills?

Who are the stakeholders? How will you communicate with them?

What is your vision for implementing portfolios?

What are the incentives? What are the benefits of developing portfolios? "Why"?

Activity 7

Planning Implementation

How will you use these portfolios for formative and summative assessment?

What is your plan for helping teachers facilitate the portfolio developmental process? What about students' skills development?

What resources and assistance do you need? What are your challenges and barriers? What tools are you going to use?

How will you evaluate your progress? What are your expectations, targets, timeline?

Activity 8

Reflection

What was your key learning today?
What will your next steps be?
