WHAT'S YOUR STORY?

National MFL Digital Story Award

An elective workshop for teachers of junior cycle French, German, Italian and Spanish.

Junior Cycle for Teachers (JCT) and Post-Primary Languages Ireland (PPLI) are delighted to offer the 2nd 'What's Your Story?' National MFL Digital Story Award to teachers and students.

What?

This award encourages students to combine their language and digital skills through the practice of digital storytelling to tell their own story. The initiative is also accompanied by an elective workshop for teachers (online) which will explore the process of digital storytelling and how it can support language learning.

Why?

This exciting and engaging initiative supports many of the junior cycle learning outcomes and will provide students with the opportunity to use their language skills for authentic purposes. The most creative and language-rich examples will be available to view at whatsyourstoryshowcase.ie and will be showcased at the joint PPLI, JCT and PDST conference or at an online event if the conference is not possible. Those invited to have their work showcased will receive the National MFL Digital Story Award and be entered in a draw to win some fabulous prizes!

How?

Teachers who want to get involved and facilitate this initiative in their schools should book into one of the elective workshops to acquire the essential skills required to use digital storytelling in the MFL classroom.

When?

Submission Deadline: 12th May 2021
