My Learning Journey

in Junior Cycle Applied Technology

A Classroom-Based Assessment (CBA) is a snapshot of where you are on your learning journey in Applied Technology. The CBA is an opportunity for you to demonstrate your knowledge, skills, understanding and values as well as your experience from 1st year and prior to that. While each CBA focuses on specific areas of activity, both support the ongoing development of your Applied Technology skills and understanding. The CBAs will also support you in engaging with your project and examination in Year 3 of Junior Cycle and further into Senior Cycle.

YEAR 1 - MY LEARNING JOURNEY

BEFORE CBA 1

Be curious, focus on developing research, evaluation and communication skills.

Make links between what you learn in Applied Technology and the world around you.

YEAR 2 - CBA 1 MOMENT

DURING CBA 1

CBA 1 asks you to explore the application of controlled systems in a local context. While this is an opportunity to display a range of knowledge and skills developed in Applied Technology, there is particular focus on the following areas of activity:

- Research and analysis
- Function
- Evaluating your CBA
- Communicating your CBA

Note:
As you move through CBA 1, reflect, evaluate, record and communicate what you are learning and how your thinking develops.

AFTER CBA 1

Listen to the feedback from your teacher during and after CBA 1. Use this feedback, together with your own reflections on your work to further develop your Applied Technology knowledge, skills, understanding and values.

BEFORE CBA 2

Think about your learning journey to date. Consider how your skills in Applied Technology are developing. Look back over any reflections you have recorded during your learning journey on your progress in these skills to date.

Use these reflections to analyse your progress. Consider what steps you could take to improve in these skills?

YEAR 3 - CBA 2 MOMENT

DURING CBA 2

CBA 2 asks you to complete a self-analysis and evaluation of your coursework and skills to date in Applied Technology. While this is an opportunity to display a range of knowledge and skills developed in Applied Technology there is particular focus on the following areas of activity:

- Self-analysis of coursework elements
- Making judgements
- Communicating your CBA

Note:
As you move through CBA 2, reflect, evaluate, record and communicate what you are learning and how your thinking develops.

AFTER CBA 2

Listen to the feedback from your teacher during and after CBA 2. Use this feedback, together with your own reflections on your work, to further analyse your Applied Technology knowledge and skills in preparation for your project.

YEAR 3 - FINAL ASSESSMENT

YEAR 3
Project 70% & Written Examination 30%

A project and a written examination are set by the State Examinations Commission (SEC) in Year 3 of Junior Cycle. Both forms of assessment will give you an opportunity to demonstrate your learning and experiences over your three years of Applied Technology.

Note:
Take time to reflect on your progress over the three years and through both CBA 1 and CBA 2. Think about the feedback you received from your teacher and how you might apply this feedback to your project and written examination.

Mo Thuras Foghlama

i dTeicneolaíocht Fheidhmeach na Sraithe Sóisearaí

Is léargas é Measúnú Rangbhunaithe (MRB) ar an áit a bhfuil tú ar do thuras foghlama sa Teicneolaíocht Fheidhmeach. Is deis duit é an MRB le d'eolas, scileanna, tuiscint, luachanna a léiriú chomh maith le do thaithí ón 1ú bhliain agus roimhe sin. Cé go ndíríonn gach MRB ar pheirspictíochtaí áirithe, cabhraíonn siad le do scileanna agus do thuiscint a fhorbairt go leanúnach sa Teicneolaíocht Fheidhmeach. Cabhróidh na MRBnna leat freisin dul i ngleic le do thionscadal agus leis an scrúdú i mBliain 3 den tSraith Shóisearach agus ina dhiaidh sin sa tSraith Shinsearach.

BLIAIN 1 - MO THURAS FOGHLAMA

ROIMH MRB 1

Bí fiosrach, dírigh ar scileanna taighde, meastóireachta agus cumarsáide a fhorbairt.

Déan naisc idir an méid a fhoghlaimíonn tú sa Teicneolaíocht Fheidhmeach agus an domhan thart timpeall ort.

BLIAIN 2 - MRB 1

LE LINN MRB 1

Iarrtar ort in MRB 1 iniúchadh a dhéanamh ar chur i bhfeidhm córais rialaithe i gcomhthéacs áitiúil. Cé gur deis é seo chun réimse eolais agus scileanna a forbraíodh sa Teicneolaíocht Fheidhmeach a thaispeáint, dírítear go háirithe ar na réimsí gníomhaíochta seo a leanas

- **Taighde agus anailís**
- **Feidhm**
- **Meastóireacht a dhéanamh ar do MRB**
- **Do MRB a chur in iúl.**

Nóta:
De réir mar a bhogann tú trí MRB 1, déan machnamh, meastóireacht, taifeadadh agus cumarsáid ar an méid atá á fhoghlaim agat agus ar an gcaoi ina dtagann forbairt ar do chuid smaointeoireachta.

TAR ÉIS MRB 1

Éist leis an aiseolas ó do mhúinteoir le linn agus tar éis MRB 1. Bain úsáid as an aiseolas sin, mar aon le do chuid machnaimh féin ar do chuid oibre chun d'eolas, scileanna, tuiscint agus luachanna sa Teicneolaíocht Fheidhmeach a fhorbairt tuilleadh.

ROIMH MRB 2

Smaoinigh ar do thuras foghlama go dtí seo. Smaoinigh ar an gcaoi a bhfuil do chuid scileanna sa Teicneolaíocht Fheidhmeach ag forbairt.Amharc siar ar aon mhachnamh a thaifead tú le linn do thurais fhoghlama ar do dhul chun cinn sna scileanna seo go dtí seo. Bain úsáid as an mhachnamh sin chun anailís a dhéanamh ar do dhul chun cinn. Smaoinigh ar na céimeanna a d'fhéadfá a ghlacadh chun feabhas a chur ar na scileanna sin?

BLIAIN 3 - MRB 2

LE LINN MRB 2

Iarrann MRB 2 ort féin-anailís agus meastóireacht a dhéanamh ar d'obair chúrsa agus ar do scileanna go dtí seo sa Teicneolaíocht Fheidhmeach. Cé gur deis éseo chun réimse eolais agus scileanna a forbraíodh sa Teicneolaíocht Fheidhmeach a thaispeáint, dírítear go háirithe ar na peirspictíochtaí seo a leanas:

- **Féinanailís ar ghnéithe den obair chúrsa**
- **Breithiúnais a dhéanamh**
- **Do MRB a chur in iúl**

Nóta:
De réir mar a bhogann tú trí MRB 2, déan machnamh, meastóireacht, taifeadadh agus cumarsáid ar an méid atá á fhoghlaim agat agus ar an gcaoi ina dtagann forbairt ar do chuid smaointeoireachta.

TAR ÉIS MRB 2

Éist leis an aiseolas ó do mhúinteoir le linn agus tar éis MRB 2. Bain úsáid as an aiseolas seo, mar aon le do chuid machnaimh féin ar do chuid oibre, chun anailís bhreise a dhéanamh ar d'eolas agus ar do scileanna sa Teicneolaíocht Fheidhmeach mar ullmhúchán do do thionscadal.

BLIAIN 3 - MEASÚNÚ DEIRIDH

BLIAIN 3

Tionscadal 70%   Scrúdú Scríofa 30%

Socraíonn Coimisiún na Scrúduithe Stáit (CSS) tionscadal agus scrúdú scríofa i mBliain 3 den tSraith Shóisearach. Tabharfaidh an dá chineál measúnaithe deis duit d'fhoghlaim agus d'eispéiris a léiriú thar do thrí bliana den Theicneolaíocht Fheidhmeach.

Nóta:
Tóg am chun machnamh a dhéanamh ar do dhul chun cinn thar na trí bliana agus trí MRB 1 agus MRB 2 araon. Smaoinigh ar an aiseolas a fuair tú ó do mhúinteoir agus conas a d'fhéadfá an t-aiseolas sin a úsáid i do thionscadal agus i do scrúdú scríofa.
